Workshops .....	Syndicate Room C, First Floor
Pre-Conference Study Day .....	Assembly Room, First Floor
Exhibition and Catering (For Pre-Conference Study Day) .....	Marble Hall, First Floor
Gala Dinner .....	Cardiff Castle

*Dear Colleague,*

Welcome to the **16th Annual Conference of NHIVNA**, which is being held at Cardiff City Hall. City Hall is located in the heart of Cardiff city centre and within walking distance of Cardiff Central Railway Station and Cardiff Castle. We have formally invited Local Hosts to assist the NHIVNA Committee in preparing the logistical aspects of the conference and to bring a local flavour to the programme. Stewart Attridge and Kerry Rockey from Cardiff and Vale University Health Board have kindly accepted our invitation to fulfil this role.

NHIVNA would like to thank all our speakers who have agreed to present their work at the conference, and we are confident that their experience and expertise will benefit all who are in attendance.

We are excited that the Annual Conference programme in 2014 will focus on a variety of important topics that will no doubt highlight some difficult issues in the management of HIV, as well as encourage some lively discussions and debate.

In addition, one of the highlights of the conference will be the presentation of the very latest research, education and clinical practice initiatives in HIV nursing during the oral presentation sessions. As in previous years, these will be presented as part of the main plenary sessions in 2014.

The NHIVNA AGM will be held prior to lunch on Friday and I encourage all members to attend this meeting as it provides a forum to present any points of view to the NHIVNA officers and members of the Executive Committee. In addition, it will provide us with an opportunity to update delegates of some of the exciting developments within NHIVNA over the past year.

The NHIVNA Conference Social Event will take place on the Thursday evening of the conference. This will be held at Cardiff Castle in the city centre. The evening will be less formal than previous years but, in true tradition, we anticipate an evening of good food, followed by after-dinner entertainment – including dancing.

I hope that you enjoy the conference and find it of relevance to both your educational and your practical needs.

Best wishes,

**Nathaniel Ault**

Chair

Nathaniel Ault	Chair	Barts Health NHS Trust, London
Michelle Croston	Chair Elect	North Manchester General Hospital
Juliet Bennett	Honorary Secretary	Freelance Consultant/Nurse Advisor
Shaun Watson	Honorary Treasurer	Chelsea and Westminster Hospital, London

Siobhán Lynch		Royal Berkshire NHS Foundation Trust
John McLuskey		University of Nottingham
Angelina Namiba		Positively UK
Linda Panton		Western General Hospital, Edinburgh
Anele Waters		North Middlesex University Hospital, London

## NHIVNA Judging Panels

### Krattinger Rennison Award

Stewart Attridge  
Juliet Bennett (Chair)  
Michelle Croston  
Ian Hodgson  
Siobhán Lynch

### NHIVNA Best Oral Award and NHIVNA/Mediscript Clinical Practice Award

Nathaniel Ault (Chair)  
Caroline Lovett  
Kerry Rockey  
Anele Waters  
Shaun Watson

NHIVNA aims to provide an academic and educational forum for the dissemination of original nursing research in the field of HIV/AIDS. We also aim to address the communication and support needs of nurses working in this area. We hope that these activities will assist in the promotion of good practice in the care of people with HIV.

*Middlesex University*

**Strategies for preventing re-infection with hepatitis C in men who have sex with men (MSM)**

Matthew Grundy-Bowers

*Imperial College Healthcare NHS Trust, London*

**Partner notification: findings from the BHIVA/BASHH Audit**

Jonathan Roberts

*Brighton and Sussex University Hospitals NHS Trust*

1540–1600

Afternoon tea

## Thursday 26 June 2014

1600–1700

**NHIVNA Oral Abstracts: Session 2**

**Abstracts 5–8**

**Chairs:** Sue Kidger  
North Manchester Hospital  
Siobh  n Lynch  
Royal Berkshire NHS Foundation Trust

1600–1615

**Abstract O5** Putting patients at the heart of the research process; The Lay Expert Advisory Panel (LEAP)  
*Charlie Hughes, Sheffield Teaching Hospitals NHS Foundation Trust*

1615–1630

**Abstract O6** Telling their story: Experiences of young women with perinatally acquired HIV regarding access to sexual and reproductive health services in Malawi  
*Gertrude Mwalabu, University of Nottingham*

1630–1645

**Abstract O7** The PARTNER study: low risk of HIV transmission in sero-different partnerships in the context of ART but further follow-up required for MSM  
*Janey Sewell, University College London*

1645–1700

**Abstract O8** The views and experiences of HIV research participants in sub-Saharan Africa: a qualitative systematic review  
*Sylvia Nalubega, University of Nottingham*

1700–1730

**NHIVNA Invited Lecture 3**

**Chairs:** Sue Kidger  
North Manchester Hospital  
Siobh  n Lynch  
Royal Berkshire NHS Foundation Trust

**NHIVNA TasP project: from guidance to application**

Juliet Bennett  
*Freelance Consultant/Nurse Advisor*  
Michelle Croston  
*North Manchester General Hospital*

Chairs: Gary Barker  
*St Helens and Knowsley Teaching Hospitals NHS Trust*  
Juliet Bennett  
*Freelance Consultant/Nurse Advisor*

### HIV and faith

Professor Damian Ridge  
*University of Westminster, London*

### The role of the community nurse

Anna Bamford  
*Sussex Community NHS Trust, Brighton*

1000–1100

### NHIVNA Oral Abstracts: Session 3

#### Abstracts 9–12

Chairs: Juliet Bennett  
*Freelance Consultant/Nurse Advisor*  
Gary Barker  
*St Helens and Knowsley Teaching Hospitals NHS Trust*

1000–1015

**Abstract O9** Homeless hostel outreach clinic  
*Rebecca Hawley, Chelsea and Westminster Hospital, London*

1015–1030

**Abstract O10** Saving 1000's Lives – Identifying depression in adults living with HIV to improve patient outcomes  
*Stewart Attridge, Cardiff and Vale University Health Board*

1030–1045

**Abstract O11** Too shy shy? Use of a patient-completed annual review questionnaire to obtain a recreational drug-taking history in an HIV outpatient clinic  
*Amy Johnson, Chelsea and Westminster Hospital, London*

1045–1100

**Abstract O12** Breaking bad news–The HIV experience  
*Mark Roche, Brighton and Sussex University Hospitals NHS Trust*

1100–1120

Morning coffee

1120–1220

### ViiV Healthcare Satellite Symposium

Chair: Robert Fieldhouse  
*Baseline*

### HIV Today – The patients' perspective

Six people living with HIV will be speaking as part of this session

1220–1250

## NHIVNA Invited Lecture 4

*Chairs:* Shaun Watson  
Chelsea and Westminster Hospital NHS  
Foundation Trust  
Anele Waters  
North Middlesex University Hospital NHS Trust

## Mental Health: assessing capacity and managing risk

Ho-Yin Chan  
North Manchester General Hospital

Sarah Rutter  
North Manchester General Hospital

1250–1310

NHIVNA Annual General Meeting (NHIVNA members only)

Chair: Nathaniel Ault  
Barts Health NHS Trust, London

| 250–| 400

Lunch, exhibition and posters

1310–1355

### NHIVNA Workshop 3 (Syndicate Room C, First Floor)

Lunch packs will be provided. See page 14 for further details.

*Chairs:* Juliet Bennett  
*Freelance Consultant/Nurse Advisor*

## HIV and oncology

Professor Mark Bower  
Chelsea and Westminster Hospital, London

Kate Shaw  
Chelsea and Westminster Hospital, London

1400–1405

## Evaluation

1405–1435

## NHIVNA / EHNN Lecture

Chairs: Michelle Croston  
North Manchester General Hospital  
John McLuskey  
University of Nottingham

## HIV and criminalisation: a local and international perspective

Edwin Bernard  
*HIV Justice Network*

## Friday 27 June 2014

**1435–1535**

### **NHIVNA Plenary Session 4**

Chairs: Michelle Croston  
North Manchester General Hospital  
John McLuskey  
University of Nottingham

### **HIV and alcohol detox**

Catherine Jones  
Sussex Beacon

### **Social care, housing and benefits changes**

Matt Wills  
Homerton University Hospital NHS Foundation Trust,  
London

**1535–1615**

### **The Sixth NHIVNA Debate**

Chairs: Angelina Namiba  
Positively UK  
Stewart Attridge  
Cardiff and Vale University Health Board

#### **The motion:**

This house believes that HIV testing through home collection kits is an effective and appropriate addition to current testing and counselling services.

#### **For the motion:**

Lisa Power  
Independent Advisor on HIV and Sexual Health

#### **Against the motion:**

Dr Miriam Taegtmeyer  
University of Liverpool

**1615–1630**

### **Awards Ceremony and Close by the Chair of the National HIV Nurses Association**

Michelle Croston  
North Manchester General Hospital

# Conference Information

## City Hall, Cardiff

City Hall ■ Cathays Park ■ Cardiff, CF10 3ND

Telephone: +44 (0) 29 2087 1736 ■ Facsimile: +44 (0) 29 2087 1734 ■ [www.cardiffcityhall.com](http://www.cardiffcityhall.com)

### Registration

The registration fee includes access to all conference sessions, the exhibition area, lunch and refreshments throughout the conference. In addition, all delegates who have reserved a ticket in advance and paid the necessary contribution are invited to the Conference Social Event on Thursday 26 June 2014 at Cardiff Castle.

### Badges

Badges must be worn at all times to gain access to the conference facilities.

### First-time attendees meeting

NHIVNA is inviting first-time attendees to meet members of the Executive Committee at the first refreshment break on Thursday 26 June at the NHIVNA stand. This will provide an opportunity for first-time attendees to engage with NHIVNA and network with others at conference.

### NHIVNA workshops

NHIVNA are continuing the initiative of holding workshops at conference. Places are limited to the first 50 applicants. Please register **only if you intend to come**. If, subsequently, you realise you cannot attend, please let the Conference Organiser know at your earliest convenience. Each workshop will have refreshments available and will be interactive, encouraging discussion. Please note that you will need to arrive promptly for your workshop, and at least five minutes in advance, otherwise your place may be offered to someone else.

### Posters

Poster presentations should be in place in the Lower Hall by 0930 on Thursday 26 June 2014. Poster presenters are encouraged to be beside their posters for part of the lunchtime sessions for discussion with delegates. A prize for the best poster will be awarded at the Prizes and Awards Ceremony at 1615–1630 on Friday 27 June.

### Oral research presentations

Oral research presenters are reminded to ensure they bring along a copy of their oral research slides to the conference in addition to sending them to the Conference Organisers in advance. Oral research presenters need to ensure that a final version of their slides is passed to the audio-visual technicians in the Speaker Preview area (Assembly Room) in good time prior to their session. The NHIVNA Best Oral, Krattinger Rennison and NHIVNA/Mediscript Clinical Practice Awards will be awarded at the Prizes and Awards Ceremony at 1615–1630 on Friday 27 June.

### Conference Social Event

The NHIVNA Conference Social Event will be held on Thursday 26 June 2014 at Cardiff Castle and will commence at 1945 with a drinks reception, tour of the castle, followed by a buffet and dancing. It is intended that the event will be less formal than previous years and allow guests to network and relax and enjoy some fun entertainment. You will require a ticket to gain entry to the event and this needs to be booked in advance of conference, with the necessary contribution paid. If you have reserved a ticket but find you cannot attend, please let the Conference Organiser know and return the ticket to the Registration Desk at your earliest convenience.

### Cloakroom

A manned cloakroom is available on site at City Hall. All belongings are left at the owner's risk. NHIVNA do not accept responsibility for the loss of, or damage to, delegates' personal property stored in the cloakroom.

### Exhibition

The exhibition represents an integral element of the conference, providing participants with an excellent platform for networking as well as an opportunity to gain further insight into cutting-edge technology, the latest healthcare solutions, and services within the field of HIV and GU medicine. Entrance to the exhibition hall is free for all registered delegates.

# Awards and Scholarships

## **NHIVNA Best Oral Presentation Award**

Awarded for the best oral presentation at the NHIVNA Annual Conference. A NHIVNA-invited expert panel will judge the award and will be reviewing oral presentations based on the following criteria: quality of presentation; quality of research; impact on nursing practice; originality; considered ethical issues (if appropriate).

## **NHIVNA Best Poster Presentation Award**

Awarded for the best poster presentation displayed at the NHIVNA Annual Conference. A NHIVNA-invited expert panel will identify the top five poster presentations based on the following criteria: quality of presentation; quality of research; impact on nursing practice; originality; considered ethical issues (if appropriate). Delegates will then be invited to vote for the Best Poster Presentation at conference.

## **Krattinger Rennison Charitable Trust Nursing Research Award**

Awarded for an original piece of research presented at the NHIVNA Annual Conference either as an oral or poster presentation. A NHIVNA-invited expert panel will judge the award and will be reviewing presentations based on the following criteria: the principal investigator is a nurse; an original piece of research; demonstrates an understanding of the research process; has an impact on nursing-related HIV policy as well as patient care; research contains an explicit discussion of the relevance of the research to nursing practice/ policy; considered ethical issues (if appropriate). Winning presenters will be required to write up their research in the journal *HIV Nursing*.

## **NHIVNA/Mediscript Clinical Practice Award**

Awarded for a clinical practice initiative that has made an impact on patient care presented at the NHIVNA Annual Conference either as an oral or poster presentation. A NHIVNA-invited expert panel will judge the award and will be reviewing presentations based on the following criteria: effective presentation; must have an impact on patient care; relate to nursing care; contain recommendation for future practice; considered ethical issues (if appropriate).

## **NHIVNA/Gilead Sciences HIV Nursing Award 2014**

The NHIVNA/Gilead Sciences HIV Nursing Award was set up in 2007 to recognise the outstanding achievements of nurses who have made a significant or unique contribution to the care and quality of life of people with HIV. The award will consist of a fully sponsored opportunity to attend a national or international medical conference in 2014/2015.

## **Junior Nurse Scholarships**

NHIVNA has made available up to ten [Junior Nurse Registration Concession Scholarships](#) to assist junior nurses to attend the NHIVNA Annual Conference 2014. To be eligible for a scholarship, applicants must be NHIVNA members for 2014 and have worked as a nurse in an acute or community setting, caring for people with HIV, for 2 years or less. These scholarships have enabled successful applicants to register for the conference at the reduced registration rate of £125. Applications were administered on a first-come, first-served basis.

## **First-time Attendee Scholarships**

NHIVNA has made available up to ten [First-time Attendee Registration Concession Scholarships](#) to assist delegates who are attending the NHIVNA conference for the first time. To be eligible for a scholarship, applicants must be NHIVNA members for 2014. These scholarships have enabled successful applicants to register for the conference at the reduced registration rate of £125. Applications were administered on a first-come, first-served basis.

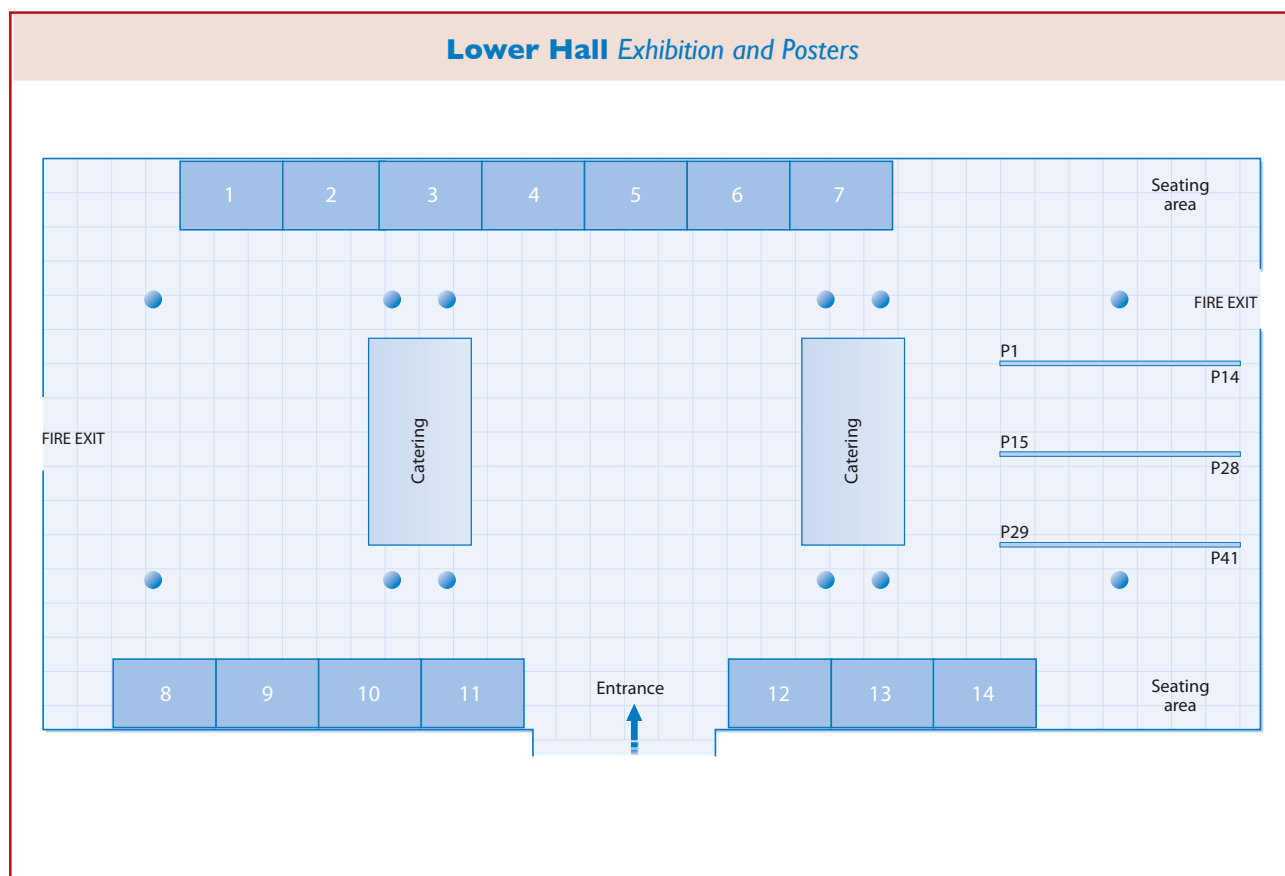

## **NHIVNA Community Registration Support**

NHIVNA has made available up to ten community registration places to delegates who work in community, voluntary or charitable organisations. Places have been allocated as fairly as possible, in principle on a first-come, first-served basis, with up to a maximum of two registrations per community group. The award covers registration for the conference only.

## **Pre-Conference Study Day Scholarships**

NHIVNA is holding a Pre-Conference Study Day sponsored by Bristol-Myers Squibb Pharmaceuticals, Gilead Sciences and Janssen. [NHIVNA Pre-Conference Study Day Scholarships](#) have been made available for those who attend, in full, both the NHIVNA Annual Conference on 26 - 27 June, and the NHIVNA Pre-Conference Study Day on the afternoon of Wednesday 25 June. NHIVNA has awarded up to 40 scholarships that contribute a maximum of £75 towards travel expenses, and contribute a maximum of £125 towards accommodation costs (25 and 26 June only). Applications were administered on a first-come, first-served basis. Original receipts are required post-conference, and within two weeks of the event, in order for NHIVNA to reimburse monies.

# Plenary Speaker Biographies

**Stewart Attridge** is an HIV Clinical Nurse Specialist at Cardiff Royal Infirmary. Stewart gained his Bachelor of Nursing degree at Swansea University and his Masters degree at the University of Glamorgan. He has previously worked in sexual health, secure environments and the community. He has a clinical interest in HIV disclosure and gender equality.

**Nathaniel Ault** is the Consultant HIV Nurse at Barts and The London Trust. He has worked in HIV for over 20 years in various posts across the community, acute, palliative and voluntary sectors. He has a first degree in Psychology and a Masters degree in Nursing (Advanced Practitioner), and is currently Chair of the National HIV Nurses Association.

**Anna Bamford** is a Clinical Services Manager for Sussex Community NHS Trust and is in charge of the Community HIV Specialist Service. The service has three multidisciplinary teams covering Brighton & Hove and West Sussex. Anna has spent 26 years in the field of HIV and is passionate and motivated to improve community care.

**Gary Barker** is a Clinical Nurse Specialist in an integrated sexual health and HIV service. He is currently on the Executive Committee for NHVNA. Alongside this he is on the BASHH MSM Special Interest Group and the Cheshire and Mersey HIV Late Diagnosis Group.

**Juliet Bennett** has 25 years' HIV nursing experience in a variety of settings and a special interest in medicines-related behaviours. Specialising in HIV from 1992, she was responsible for leading the development of adherence support services at Chelsea & Westminster Hospital. For the last 8 years Juliet has worked independently as a consultant to the NHS, to the pharmaceutical industry and in healthcare-related education. In this capacity she has trained, presented and written widely for nurses and for professionals allied to medicine. Juliet currently sits on the National HIV Nurses Association Executive Committee as Honorary Secretary.

**Edwin J Bernard** contributes to global knowledge of overly broad HIV criminalisation through his writing, film-making and lectures. As well as co-ordinating the HIV Justice Network, he recently worked with UNAIDS on their 2013 HIV criminalisation guidance note and works closely with GNP+ on updating the Global Criminalisation Scan.

**Mark Bower** is a Medical Oncologist at Chelsea & Westminster Hospital and Professor at Imperial College who specialises in the treatment of AIDS-related malignancies. He has developed one of the largest centres for the management of these tumours in Europe, receiving referrals from throughout the UK, and has cared for over 3000 patients with HIV-associated cancers. His clinical research covers the epidemiology, aetiology, pathogenesis and management of these tumours. He has a laboratory programme studying the immunopathology of these tumours in collaboration with a number of basic scientists.

**Jane Bruton** has been a nurse for 35 years and is currently working as a Clinical Research Manager for the Patient Experience Research Centre at Imperial College. She has been a Senior Nurse in HIV at Chelsea and Westminster NHS Foundation Trust for 14 years and an HIV Ward Sister for 12 years. She has an MA in Medical Anthropology. She is on the NHVNA Executive Committee and co-authored the NHVNA Competencies.

**Ho-Yin Chan** is a qualified social worker who has worked in mental health settings for the past 8 years. Hoyin is also an Approved Mental Health Professional (AMHP) who has the responsibility to coordinate Mental Health Act Assessment. He has worked in the Crisis Resolution and Home Treatment Team (Mental Health) for the past 6 years. Hoyin is currently working one day a week in the Infectious Disease Department at North Manchester General Hospital as a voluntary assistant psychologist to Sarah Rutter (Clinical Psychologist).

**Roland Chesters** was given 2 weeks to live at the time of his HIV/AIDS diagnosis. Eight years later he's still here. But the physical, emotional and mental impacts of that diagnosis still affect his everyday life in countless ways. Why did it happen? What could he have done differently? What could the professionals have done differently? How many others are being 'missed' in the same way?

# Plenary Speaker Biographies

**Billy Clarke** works as a Health Adviser specialising in the promotion of sexual health. He currently sits on the Dorset Sexual Health Education Group (SHEG) where he is responsible for the development and delivery of SRE within local schools and colleges. A trained nurse, Billy's clinical work focuses on MSMs.

**Michelle Croston** Since beginning her nursing career, Michelle has worked at North Manchester's Infectious Diseases Research Department. During her time on the ward, she gained lots of experience – from palliative care to treating HIV patients in a high-dependency setting. She experienced the challenges of complex patient care and witnessed the stigma associated with the condition. After undertaking health visitor training, she subsequently moved to North Manchester's HIV Support Team. As part of her professional development, she is undertaking a professional doctorate, and her research focuses on how HIV nurses elicit patients' concerns in order for them to provide patient-centred care. Alongside the duties that she will be assigned within the Executive Committee, she hopes to work on developing evidence-based strategies aimed at improving standards of care for patients, with a specific interest in developing strategies and resources to help nurses provide psychological support for PLWHIV.

**Catrin Evans** works as an Associate Professor at the School of Health Sciences, University of Nottingham. Catrin's research focuses on HIV prevention, particularly strategies to promote HIV testing. Catrin recently completed a 5-year term as a member of NHVNA's Executive Committee and co-directed NHVNA's national research project exploring nurses' views and experiences of 'Treatment as Prevention'.

**Tracey Gauci** has been a Government Nursing Officer since 2002. Before joining the Welsh Government she specialised in infection prevention and control. She holds a BSc in Infection Prevention and Control and an MSC in Healthcare Management. Her current remit includes providing professional advice to the Government on healthcare-associated infection including decontamination and antimicrobial usage and resistance. She sits on the Infection Prevention Society's Education and Professional Development Committee, is an Associate Editor of the *Journal of Infection Prevention* and Patron to the Association of Healthcare Cleaning Professionals.

**Ricky Gellissen** has worked in HIV nursing since the early 1990s and started working across the HIV and the hepatology departments as an HIV & Hepatitis Co-infection Clinical Nurse Practitioner 6 years ago. He holds clinics in both departments and sees HIV or hepatitis mono-infected patients, but with a primary focus on managing HCV treatments for the HIV/HCV co-infected patients.

**Matthew Grundy-Bowers** has just returned to his post as Consultant Nurse at Imperial College Healthcare NHS Trust from an NIHR Clinical Doctoral Research Fellowship based at City University London, where he was completing his PhD. He teaches both nurses and doctors in the field on various courses, including the Diploma of the Faculty of Sexual and Reproductive Health, and teaches on the Sexually Transmitted Infections Foundation course with the British Association for Sexual Health & HIV. He has just secured a Senior Visiting Lecturer position at City University London. As an active researcher, Matthew's research interests include HIV, sexual health, sexual behaviour and hidden populations. He is actively involved in professional organisations at both regional and national levels. He edited/contributed to the Advanced Clinical Skills for GU Nurses Handbook and presents widely.

**Vivian Hope** is the Scientific Lead for the Surveillance of Infections among People who use Drugs at Public Health England's Centre for Infectious Disease Surveillance and Control. He is also an Honorary Senior Lecturer at the London School of Hygiene and Tropical Medicine. He has undertaken a range of research studies and public health projects on infections, drug use and sexual health. He is an author on over 70 scientific papers.

**Catherine Jones** trained as a clinical psychologist and currently works for the Sussex Beacon, a Brighton-based charity that provides specialist physical, emotional and social care for people living with HIV. Part of Catherine's role involves investigating the effects of high levels of alcohol use on client health and wellbeing and engagement with services and developing a support programme in partnership with community organisations to meet the needs of this population

# Plenary Speaker Biographies

**Saye Khoo** is an Honorary Consultant Physician in Infectious Diseases at the Royal Liverpool University Hospital, and Professor in the School of Biomedical Sciences at the University of Liverpool. His research focuses on the pharmacology of HIV treatment failure and how therapy may be improved by individualised care through understanding why drug exposure varies markedly between individuals (and the role of individual characteristics such as weight, gender, host genetics and drug interactions), and identifying vulnerable groups who are at particular risk of failure, or toxicity. These studies span bench science, through translational research and into the clinic, and onwards to population-based modelling approaches.

**Susan Kidger** has been a nurse for over 30 years. After qualifying, Susan worked in ITU. In 1999 she became a CNS working with HIV patients and was both a Committee member of NHIVNA and the Treasurer. In 2004 Susan changed specialty to hepatitis C, and she reluctantly had to give up her Committee membership. However, as Susan works at North Manchester General Hospital, and they have a large cohort of co-infected patients, she has maintained an interest in HIV and supports many co-infected patients through the current treatment regimens for co-infection.

**Sarah Nicholas** qualified in 1990 after completing her registered general nurse training in Cardiff. She worked within the field of cardiology before working and travelling in New South Wales in Australia. On her return to Cardiff she experienced a variety of roles in the community, elderly care and integrated medicine before joining the team in the Infectious Diseases Unit at Cardiff UHW. Sarah has been in the post of Clinical Nurse Specialist in Infectious Diseases caring and treating patients with HIV, HCV, HBV and co-infection since 2002. Sarah set up a nurse-led service for treatment of viral hepatitis, and currently runs a nurse-led HIV Clinic/family clinic, treats co-infected patients in secondary care, and runs a variety of clinics in the community treating injecting drug users, the homeless, and the hard-to-reach patients. Sarah has been a non-medical independent prescriber since 2008. She travelled to Zambia in 2013 to work in a district hospital and health post as part of the Mothers of Africa charity.

**Eileen Nixon** has been a Nurse Consultant in HIV since 2004. She has served on the NHIVNA Executive Committee and was co-author of the national HIV Nursing Competencies. Eileen has just completed a PhD exploring HIV models of care and she currently represents NHIVNA members on the HIV Clinical Reference Group. Eileen is currently in a clinical academic role undertaking research in HIV service delivery.

**Joe Phillips** started his nursing career as an Infectious Diseases Nurse at North Manchester Hospital before taking on positions as a specialist nurse in both HIV and hepatitis c. He currently works at 56 Dean Street where he is involved in the work with gay men and ChemSex.

**Mark Platt** is a member of the UKCAB Steering Group, the UK treatment activist's network. In that capacity he is a Community Representative on the BHIVA HIV PROMs group, and a member of the London HIV Commissioners Audit and Outcomes Group. He was diagnosed HIV positive in 2007, and has been on ARV therapy since 2008. He works for the Royal College of Nursing, where he leads its work on patient and public involvement, and covers issues relating to patient choice, patient experience and social care.

**Lisa Power** worked at Terrence Higgins Trust for 17 years in health promotion and policy, spending the last decade leading their Policy Team. The team has consistently championed patient choices and patient voices in testing and treatment. She also spent 14 years as a volunteer with London Lesbian & Gay Switchboard, answering the phones, and was one of the founding members of the Stonewall Group. She is now an independent advisor on HIV, sexual health & LGBT issues.

**Damien Ridge** is a Professor of Health Studies. In terms of HIV, he has convened youth education for the Victorian AIDS Council (Aust); completed a PhD on barebacking; developed the [healthtalkonline.org](http://healthtalkonline.org) HIV site (University of Oxford); and worked on the HIV and Later Life (HALL project). He is also a psychotherapist in private practice.

# Plenary Speaker Biographies

**Jonathan Roberts** took up his current post as a Liaison Health Advisor in Brighton in July 2003, with a remit to engage with primary and secondary care, providing tailored support in the management of sexually transmitted infections and HIV testing. From 2007 to 2010 he worked part-time in this post and also part-time as a Senior Lecturer in Sexual Health & HIV at the University of Brighton, co-ordinating courses within the Sexual And Reproductive Health (SARH) pathway. He returned full time to his liaison post in 2011 to co-ordinate the HIV screening programme in acute medical admission. He is the Educational Officer for SSHA and also sits on the BASHH Education Committee and the STIF Steering & Competencies groups.

**Kerry Rocky** qualified from the University of Wales, College of Medicine in 2001. She initially worked in the fields of medicine, gastroenterology, hepatology and infectious diseases. Kerry is employed as a Clinical Nurse Specialist for hepatology and Infectious Diseases working in both primary and secondary care. She has recently been involved in breaking a world record for The World Hepatitis Alliance

**Sarah Rutter** graduated in Psychology, and moved to Manchester to work for several years as a Nursing Assistant in the field of acute mental health. She has worked as an Assistant Psychologist both with people recovering from traumatic brain injury or living with degenerative neurological conditions, and with a more general range of medical specialties within Manchester Royal Infirmary. In 2012 she completed a doctorate in Clinical Psychology at The University of Liverpool. Since qualification, she has worked at the Pain Centre, Wythenshawe Hospital, and in the last year as part of a specialist HIV support team at North Manchester General Hospital. This role involves working therapeutically with people who have issues associated with HIV, carrying out neuropsychological assessments where HIV-associated neurocognitive disorder is suspected, and generally functioning as part of a multidisciplinary team.

**Adrienne Seed** is an artist, painter, sculptor, writer, teacher, person-centred counsellor and mother to a 34-year-old son. She was diagnosed HIV positive in 2002. She became an activist in order to reduce HIV-related stigma in the hope that her story would empower other HIV-positive people.

**Kate Shaw** has worked as the HIV-Oncology Clinical Nurse Specialist at the Chelsea and Westminster Hospital with Professor Bower's team, since 2008. She has a background in HIV inpatient care, after training to become a nurse in her late twenties.

**David Stuart** is the Substance Use Lead at London's 56 Dean Street (GUM/HIV services), addressing sexualised drug use trends by MSM. Having trained clinicians in GUM/HIV and Substance Misuse services across the UK, David has developed tailored interventions and care pathways for 'ChemSex' trends, as well as pioneering many community engagement initiatives.

**Miriam Taegtmeier** trained both as a teacher and as a doctor and combines clinical experience in infectious diseases and HIV medicine with public health practice in resource-poor countries. She has a particular interest in HIV testing and counselling (HTC). As a researcher in this field she has a proven track record of promoting policy into practice and vice versa. Her PhD was in the scale-up of VCT services in Kenya and combined mixed-method research with hands on-implementation in scale-up of quality assured VCT services. She has been PI on a number of studies on practical aspects of HTC. She is on a number of WHO working groups related to HTC. In 2013 she co-hosted the first international symposium on the legal, ethical, gender human rights and public health aspects of HIV self testing and she is Guest Editor for a special issue in *Aids and Behaviour* on this topic.

**Kevin Turner** is a Sexual Health Adviser specialising in MSM, HIV & LGBT communities. With a background in health psychology he provides specialist advice in the psychological and emotional aspects of health and illness, consultancy for strategic planning in public health and in the development of interventions for facilitating health behaviour changes.

**Matt Wills** has worked as Social Care Coordinator at Homerton University Hospital for 4 years, working alongside the clinic and community nursing team in providing social care support in conjunction with third sector providers. Prior to this he worked for Staffordshire Buddies for 9 years as a Welfare Benefits and Housing advice worker.

# Information on Cardiff

## City Hall, Cardiff

City Hall ■ Cathays Park ■ Cardiff, CF10 3ND

Telephone: +44 (0) 29 2087 1736 ■ Facsimile: +44 (0) 29 2087 1734 ■ [www.cardiffcityhall.com](http://www.cardiffcityhall.com)

Cardiff's City Hall is conveniently located in the heart of the city, within walking distance of a large variety of hotels, a superb shopping centre, Cardiff Castle, the Millennium Stadium and the National Museum and Gallery of Wales. With only 2 hours' travelling time from London or Birmingham, Cardiff is easily accessible

## Accommodation Information

**Cardiff Convention Bureau** is the official hotel booking service for the 16th Annual Conference of NHIVNA. For full details of accommodation and to make a booking please visit the NHIVNA website at [www.nhivna.org](http://www.nhivna.org) and follow the appropriate links from the conference pages. Alternatively, please contact Cardiff Convention Bureau direct via the details below.

Telephone: +44 (0) 29 2087 3573

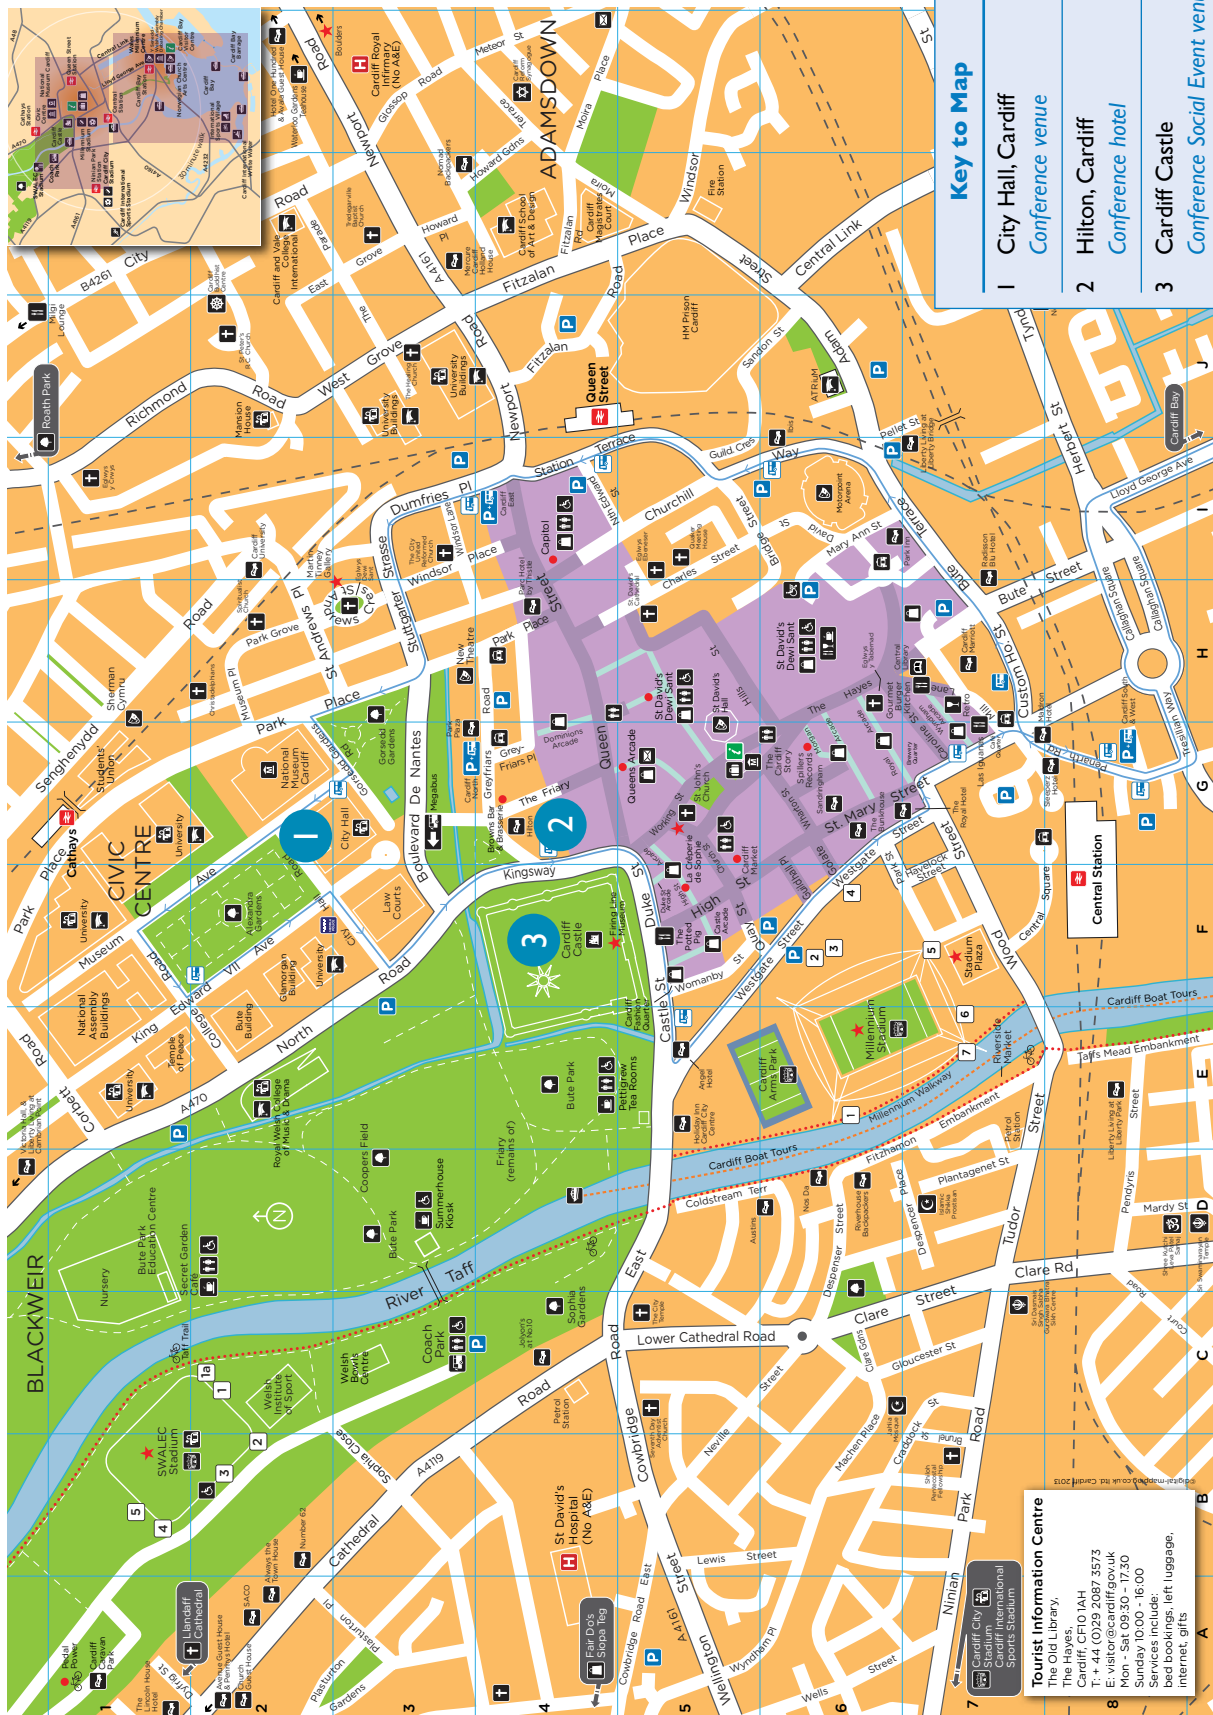

Web: [www.visitcardiff.com/meet/accommodation](http://www.visitcardiff.com/meet/accommodation)

## Travel Information

- By Air** Cardiff International Airport receives regular direct flights from UK and other European destinations. Located 12 miles west of Cardiff city centre, and just 10 miles from Junction 33 of the M4, Cardiff International Airport is easy to access and handles over 2 million passengers a year.
- By Rail** High-speed InterCity trains link most cities around the country with Cardiff. The journey time from London Paddington to Cardiff is under two hours and leaves every 30 minutes during the day. If you are arriving in Cardiff by train, you will probably arrive at Cardiff's Central Train Station, which is minutes away from Cardiff City Hall and major hotels.
- By Road** Cardiff is on the national motorway system, with the M4 running through the north of the city, making London a comfortable drive away. From the Midlands, the North of England and Scotland it is a straightforward drive via the M6, M5 and M50/M4. From the South and South West of England the approach is by the M5 and M4. Access from West Wales is by the M4.
- Parking** Whilst City Hall has its own parking facilities, parking is also available in the Civic Centre avenues surrounding City Hall. To park in these bays you will require Parking Vouchers and these can be purchased from City Hall (West Entrance) or from the National Museum of Wales. Alternatively, parking is available in the NCP Car Parks situated around Cardiff ([www.ncp.co.uk](http://www.ncp.co.uk)).
